

MARCKS (Phospho Ser167/170) rabbit pAb

Catalog No: YP1393

Reactivity: Human; Mouse; Rat

Applications: WB

Target: MARCKS

Fields: >>Fc gamma R-mediated phagocytosis;>>MicroRNAs in cancer

Gene Name: MARCKS MACS PRKCSL

P29966

P26645

Protein Name: MARCKS (Ser167/170)

Human Gene Id: 4082

Human Swiss Prot

Tullian Swiss Frot

No:

Mouse Gene ld: 17118

Mouse Swiss Prot

No:

Rat Swiss Prot No: P30009

Immunogen: Synthesized phosho peptide around human MARCKS (Ser167 and 170)

Specificity: This antibody detects endogenous levels of Human Mouse Rat MARCKS

(phospho-Ser167 or 170)

Formulation : Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.

Source: Polyclonal, Rabbit, IgG

Dilution: WB 1:1000-2000

Purification: The antibody was affinity-purified from rabbit serum by affinity-chromatography

using specific immunogen.

Concentration: 1 mg/ml

Storage Stability: -15°C to -25°C/1 year(Do not lower than -25°C)

Observed Band: 32kD

Cell Pathway : Fc gamma R-mediated phagocytosis;

Background: The protein encoded by this gene is a substrate for protein kinase C. It is

localized to the plasma membrane and is an actin filament crosslinking protein. Phosphorylation by protein kinase C or binding to calcium-calmodulin inhibits its association with actin and with the plasma membrane, leading to its presence in the cytoplasm. The protein is thought to be involved in cell motility, phagocytosis,

membrane trafficking and mitogenesis. [provided by RefSeq, Jul 2008],

Function: function:MARCKS is the most prominent cellular substrate for protein kinase C.

This protein binds calmodulin, actin, and synapsin. MARCKS is a filamentous (F) actin cross-linking protein.,PTM:Phosphorylation by PKC displaces MARCKS

from the membrane. It also inhibits the F-actin cross-linking

activity., similarity: Belongs to the MARCKS family.,

Subcellular Location:

Cytoplasm, cytoskeleton . Membrane ; Lipid-anchor .

Expression: Blood, Brain, Epithelium, Muscle, Skin,

Sort : 9389

No4: 1

Host: Rabbit

Modifications: Phospho
