

## Rabbit anti Cat IgG (H&L) - AMCA

|                            |                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No :</b>        | RS2513                                                                                                            |
| <b>Reactivity :</b>        | Cat                                                                                                               |
| <b>Applications :</b>      | ELISA;IHC;IF;FCM                                                                                                  |
| <b>Target :</b>            | Cat IgG (H&L)                                                                                                     |
| <b>Immunogen :</b>         | Cat IgG                                                                                                           |
| <b>Formulation :</b>       | Liquid in 0.01M Phosphate Buffered Saline, pH 7.2, containing 1% BSA, 50% glycerol, 0.02% Sodium Azide            |
| <b>Source :</b>            | Polyclonal, Rabbit,IgG                                                                                            |
| <b>Dilution :</b>          | IHC (1:200 - 1:1000), IF (1:200 - 1:1000), FCM (1:2000 - 1:4000), Elisa (Use at an assay dependent concentration) |
| <b>Purification :</b>      | The antibody was isolated from antisera by immunoaffinity chromatography using antigens coupled to agarose beads. |
| <b>Storage Stability :</b> | -15°C to -25°C/1 year(Do not lower than -25°C)                                                                    |
| <b>Sort :</b>              | 13589                                                                                                             |
| <b>No4 :</b>               | 1                                                                                                                 |
| <b>Host :</b>              | Rabbit                                                                                                            |
| <b>Conjugate :</b>         | AMCA                                                                                                              |
