

## RUSD1 rabbit pAb

|                              |                                                                                                                       |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No :</b>          | YT7072                                                                                                                |
| <b>Reactivity :</b>          | Human;Mouse                                                                                                           |
| <b>Applications :</b>        | WB                                                                                                                    |
| <b>Target :</b>              | RUSD1                                                                                                                 |
| <b>Gene Name :</b>           | RPUSD1 C16orf40 RLUC                                                                                                  |
| <b>Protein Name :</b>        | RUSD1                                                                                                                 |
| <b>Human Gene Id :</b>       | 113000                                                                                                                |
| <b>Human Swiss Prot No :</b> | Q9UJJ7                                                                                                                |
| <b>Mouse Gene Id :</b>       | 106707                                                                                                                |
| <b>Mouse Swiss Prot No :</b> | Q8VCZ8                                                                                                                |
| <b>Immunogen :</b>           | Synthesized peptide derived from human RUSD1 AA range: 58-108                                                         |
| <b>Specificity :</b>         | This antibody detects endogenous levels of RUSD1 at Human/Mouse                                                       |
| <b>Formulation :</b>         | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| <b>Source :</b>              | Polyclonal, Rabbit,IgG                                                                                                |
| <b>Dilution :</b>            | WB 1:500-2000                                                                                                         |
| <b>Purification :</b>        | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| <b>Concentration :</b>       | 1 mg/ml                                                                                                               |
| <b>Storage Stability :</b>   | -15°C to -25°C/1 year(Do not lower than -25°C)                                                                        |

**Molecularweight :** 34kD**Function :** similarity:Belongs to the pseudouridine synthase rluA family.,**Subcellular Location :** mitochondrion,

## Products Images

Western blot analysis of lysates from 3T3 cells, primary antibody was diluted at 1:1000, 4° over night
